A FAMILY OF HEALTH CARE BRANDS FOR YOUR FAMILY

75/1, Alagar Kovil Main Rd,
Surveyor Colony, Madurai, Tamil Nadu 625007

About the company

Wedjat health solutions integrate advanced medical science with modern technology innovatively to redefine the journey of health. Wedjat health solutions is revolutionizing healthcare by enabling consumers to find the best doctors, choose right healthcare products and make better, more informed health decisions when it comes to nutrition. And the change is for good. Founded by expert hands we aim to bridge the gaps in wellness, nutrition, and preventive care.

About the founders

Dr. Hema Sathish

Wedjat health solutions is founded by Dr.Hema sathish , cosmetic dermatologist , is highly skilled in laser, Dermato Surgery and cosmetic dermatology procedures. She is very passionate in curating wellness products for todays adults and teens that blend modern approach and scientific precision. Her commitment ensures every brand of Wedjat reflects her expertise and vision for healthy lifestyle.

Dr. Sathish Devadoss

Dr. Sathish Devadoss, a highly skilled orthopedician and the medical director of Devadoss Multi Speciality Hospitals, who also co-founded Wedjat Healthcare Solutions. He is passionate in providing health supplements that enhances the recovery process and ensures everyone lead a healthy holistic lifestyle.

By treating a variety of conditions in orthopaedics and dermatology, they both have seen how lifestyle changes can be just as important as medication in recovery.

About Cureka

Cureka is an online store that connects INDIA and specializes in providing the highest quality healthcare and wellness products that are curated by doctors, based on current lifestyle requirement of each and every individual.
